

# border+tec BSR

The **BORDERTEC BSR** is recommended to contour marble and stone balconies and terraces with to water-run-off finishing element. Its reversible section allows to match two different tiles' thicknesses with the same reversible profile. Bordertec BSR is equipped with the necessary special pieces for a proper installation.  
(One corner works also as two junctions).

Illustrated scale dimension 1:1  
(BSR 15/30\*)
